ATE Distinguished Member Research Group Task Force
Appointed by Dr. John K. Hicks - ATE President 2021-2022
Chair: Dr. Rebecca Harris

Members: Glinda Black, Karen Dunlap, Rebecca Fredrickson, Lori Fulton, Jon Yoshioka

The purpose of the task force is to synthesize data that has been collected from Distinguished Members through a series of interviews and turn that into a thematic body of work in order to share their collective knowledge, wisdom, and history for the benefit of ATE members, both present and future.

The Task Force will commence at the 2022 ATE Annual Meeting in Chicago, IL, February 2022, and conclude once its work is complete.
