

ATE has an App for the 2020 Annual Meeting!

Check your email for a message from support@crowdcompassmail.com
If you did not receive an email, please follow the instructions below.

Get the App.

1. Type: <https://ate1.org/app> into a browser or scan this QR code with your phone or tablet camera/QR reader:
2. Go to the correct version of the App. Choose the circle that represents what device you are using to access the app:

or

Pick this circle on your device then follow arrows below.

Pick this circle on your device then skip down to the next step, "Find our event."

→ Select the

on iOS devices or

on Android.

→ Tap *Get* or *Install*. After installing,

this icon will appear on your home screen.

Find our event.

1. Search on AttendeeHub with the event password. Type: The password from your CrowdCompass email into the Search Bar, you will see ATE's logo and event name, "2020 ATE 100th Annual Meeting"
2. Open our event. Select our event name, then the Download Icon (↓) at the right to start downloading or proceed to the next step if accessing via web browser.

Access the App.

1. Log-in & create a profile. Enter the information requested and a 4-digit Verification Code will be sent to the email address you typed.
2. Access this 4-digit code from your email inbox then input the numbers within AttendeeHub.
3. Success! You will then be logged in successfully with a welcome message.
