Good afternoon,

The PPC met and interviewed a prospective editorial team from Kansas State University. The team presented a strong application and answered all PPC member questions. The PPC feels the editorial team at Kansas State University would be a good fit for *Action in Teacher Education* and could continue to build the journal's success. The PPC had one concern – the committee members felt that Dr. Amanda Lickteig should serve as the Associate Editor and Dr. Eileen Wertzberger as the Assistant Editor, or that they should both serve as co-Associate Editors. The committee felt that Dr. Lickteig had more experience to support that role and the work. While the committee was impressed with Dr. Wertzberger's answers and experiences as well, they felt Dr. Lickteig had more publication experience.

In summary, the PPC would like to recommend to the ATE Board to accept the application from Kansas State University for the editorial team for *Action in Teacher Education* with the recommendation that Dr. Amanda Lickteig serve as the Associate Editor and Dr. Eileen Wertzberger as the Assistant Editor, or that they both serve as co-Associate Editors. I am attaching the application materials as well.

Best,  
Laila
