Subject : Re: Registration confirmation for 2024 ATE Summer Conference: Denver, CO

===== Forwarded message =====

Dear ATE Registration Team,

I am registered for the ATE conference in Denver next week and the event looks amazing. Sadly, my mother entered into hospice last weekend and I am unable to leave her to travel to Colorado. I would appreciate a refund of my registration fee. I have read your no refund policy; I am wondering if I can not secure a refund, there might be a way I can apply my \$450 registration fees to the national conference in the spring. I am hoping to present and attend in New Orleans.

Thank you for the consideration. This is an incredibly difficult time and any assistance will be greatly appreciated.

All my best,

Sheila
